Big gifts, big report. That's the approach at the University of Illinois Foundation. Its 9x12" President's Council report tells of a phenomenal increase in gifts. New members in the \$10,000-and-up club increased 238 percent in 1977. And gifts in hand or to be received through deferred gifts from these members jumped from \$1.9 million in '76 to over \$4.6 million in '77. To see one of 50 copies, write James M. MAKE YOUR ALUMNI FUND A WINNER, SEASON AFTER SEASON

Pep talk aside, the winning coach knows that his margin of victory often hinges on how accurate and timely his scouting reports are and then how well he uses them.

Same for winning alumni fund support. The more you can individualize and personalize your appeal, the greater your chance of scoring big. But to turn that little trick, first you need timely, accurate alumni giving data at your fingertips. Your scouting reports must be right on.

Put ASI's alumni "Scouting Reports" to work in your campaign. They'll help you raise more dollars. They'll help you control the cost of raising your dollars. And they'll simplify your own recordkeeping chores enormously.

Think of what you could do with scouting tools like these working for you.

- Computerized alumni masterfiles
 - Timely fund status reports
 - Analyses and reports of giving trends
 - Computerized gift accounting and acknowledgement
- There's more. Complete alumni directory production capabilities. Complete typesetting and mailing production services. Help in preparing personalized "hi impact" fund appeals. Custom programs.

All from a single source. ASI. It's a powerful package of services that can put your campaign in a new league. And it's a proven package designed solely to the needs of schools, colleges and universities of all sizes.

Learn more about how ASI's Scouting Reports can give you the winning edge, season after season, campaign after campaign. Call Bill Lone at (201) 471-0800 or fill out the coupon below.

Campus lodgings—generally cheaper than hotels and motels—are listed at 21 sites in Canada, one in California, and one in Australia. The folder also includes rates and contacts. John D. Mabley, Director, Alumni Affairs, has 100 copies for CURRENTS readers. He's at UW, Windsor, Ontario N9B 3P4.
